under part 26 are able to control the firm with respect to its activity in the concessions program. In addition, you are not required to certify a part 26 DBE as a part 23 ACDBE if the firm does not do work relevant to the airport's concessions program.

§ 23.39 What other certification requirements apply in the case of ACDBEs?

(a) The provisions of part 26, §§ 26.83 (c)(2) through (c)(6) do not apply to certifications for purposes of this part. Instead, in determining whether a firm is an eligible ACDBE, you must take the following steps:

(1) Obtain the resumes or work histories of the principal owners of the firm and personally interview these individuals;

(2) Analyze the ownership of stock of the firm, if it is a corporation;

(3) Analyze the bonding and financial capacity of the firm;

(4) Determine the work history of the firm, including any concession contracts or other contracts it may have received;

(5) Obtain or compile a list of the licenses of the firm and its key personnel to perform the concession contracts or other contracts it wishes to receive;

(6) Obtain a statement from the firm of the type(s) of concession(s) it prefers to operate or the type(s) of other contract(s) it prefers to perform.

(b) In reviewing the affidavit required by part 26, § 26.83(j), you must ensure that the ACDBE firm meets the applicable size standard in § 23.33.

(c) For purposes of this part, the term prime contractor in part 26, § 26.87(i) includes a firm holding a prime contract with an airport concessionaire to provide goods or services to the concessionaire or a firm holding a prime concession agreement with a recipient.

(d) With respect to firms owned by Alaska Native Corporations (ANCs), the provisions of part 26, § 26.73(i) do not apply under this part. The eligibility of ANC-owned firms for purposes of this part is governed by § 26.73(h).

agreement, because the firm exceeded the small business size standard or because an owner has exceeded the personal net worth standard, and the firm in all other respects remains an eligible DBE, you may continue to count the concessionaire's participation toward DBE goals during the remainder of the current concession agreement. However, you must not count the concessionaire's participation toward DBE goals beyond the termination date for the concession agreement in effect at the time of the decertification (*e.g.*, in a case where the agreement is renewed or extended, or an option for continued participation beyond the current term of the agreement is exercised).

(f) When UCPs are established in a state (see part 26, § 26.81), the UCP, rather than individual recipients, certifies firms for the ACDBE concession program.

(g) You must use the Uniform Application Form found in appendix F to part 26. However, you must instruct applicants to take the following additional steps:

(1) In the space available in section 2(B)(7) of the form, the applicant must state that it is applying for certification as an ACDBE.

(2) With respect to section 4(C) of the form, the applicant must provide information on an attached page concerning the address/location, ownership/lease status, current value of property or lease, and fees/lease payments paid to the airport.

(3) The applicant need not complete section 4(I) and (J). However, the applicant must provide information on an attached page concerning any other airport concession businesses the applicant firm or any affiliate owns and/or operates, including name, location, type of concession, and start date of concession.

(h) Car rental companies and private terminal owners or lessees are not authorized to certify firms as ACDBEs. As a car rental company or private terminal owner or lessee, you must obtain ACDBE participation from firms which a recipient or UCPs have certified as ACDBEs.

(i) You must use the certification standards of this part to determine the

ACDBE eligibility of firms that provide goods and services to concessionaires.

Subpart D—Goals, Good Faith Efforts, and Counting

§ 23.41 What is the basic overall goal requirement for recipients?

(a) If you are a recipient who must implement an ACDBE program, you must, except as provided in paragraph (b) of this section, establish two separate overall ACDBE goals. The first is for car rentals; the second is for concessions other than car rentals.

(b) If your annual car rental concession revenues, averaged over the three years preceding the date on which you are required to submit overall goals, do not exceed \$200,000, you are not required to submit a car rental overall goal. If your annual revenues for concessions other than car rentals, averaged over the three years preceding the date on which you are required to submit overall goals, do not exceed \$200,000, you are not required to submit a non-car rental overall goal.

(c) Each overall goal must cover a three-year period. You must review your goals annually to make sure they continue to fit your circumstances appropriately. You must report to the FAA any significant adjustments that you make to your goal in the time before your next scheduled submission.

(d) Your goals established under this part must provide for participation by all certified ACDBEs and may not be subdivided into group-specific goals.

(e) If you fail to establish and implement goals as provided in this section, you are not in compliance with this part. If you establish and implement goals in a way different from that provided in this part, you are not in compliance with this part. If you fail to comply with this requirement, you are not eligible to receive FAA financial assistance.

§ 23.43 What are the consultation requirements in the development of recipients' overall goals?

(a) As a recipient, you must consult with stakeholders before submitting your overall goals to FAA.

(b) Stakeholders with whom you must consult include, but are not limited to,

minority and women's business groups, community organizations, trade associations representing concessionaires currently located at the airport, as well as existing concessionaires themselves, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged businesses, the effects of discrimination on opportunities for ACDBEs, and the recipient's efforts to increase participation of ACDBEs.

§ 23.45 What are the requirements for submitting overall goal information to the FAA?

(a) You must submit your overall goals to the appropriate FAA Regional Civil Rights Office for approval. Your first set of overall goals meeting the requirements of this subpart are due on the following schedule:

(1) If you are a large or medium hub primary airport on April 21, 2005, by January 1, 2006. You must make your next submissions by October 1, 2008.

(2) If you are a small hub primary airport on April 21, 2005, by October 1, 2006.

(3) If you are a nonhub primary airport on April 21, 2005, by October 1, 2007.

(b) You must then submit new goals every three years after the date that applies to you.

(c) Timely submission and FAA approval of your overall goals is a condition of eligibility for FAA financial assistance.

(d) In the time before you make your first submission under paragraph (a) of this section, you must continue to use the overall goals that have been approved by the FAA before the effective date of this part.

(e) Your overall goal submission must include a description of the method used to calculate your goals and the data you relied on. You must "show your work" to enable the FAA to understand how you concluded your goals were appropriate. This means that you must provide to the FAA the data, calculations, assumptions, and reasoning used in establishing your goals.

(f) Your submission must include your projection of the portions of your overall goals you propose to meet
